

A New Business Destination for Northern India: PackEx India and International FoodTec India 2015: have benchmarked themselves as the leading supplier fair for packaging, food & drink industries in NEW DELHI

We extend our sincere gratitude to all our exhibitors and key visitors for advising us to organize PackEx India and International FoodTec India in the northern region of India, New Delhi.

PackEx India and International FoodTec India have once again emerged as the numero uno supplier trade fair for the Packaging, food & drink Industry in capital of India, NEW DELHI. 9369 trade visitors came to the Pragati Maidan during September 14 to 16, 2015 to obtain information about technological solutions for the packaging, food and drink industry.

PackEx India and International FoodTec India 2015, concluded on a positive note. Almost all the exhibitors from India and abroad were extremely satisfied with the quality and quantity of the visitors who attended the trade fair. A total of 386 exhibitors from over 33 countries presented their products and technologies during the three trade fair days, 48% of which were international brands. The exhibition once again confirmed its position as the best business platform that provides customized solutions for the India and neighboring markets.

The presence of key decision makers was well appreciated by the exhibitors. Visitors from all over India and neighbouring countries like Bangladesh, Nepal, and Srilanka visited the exhibition in large numbers flocking the show floor even on the last day, on the lookout for new suppliers, fresh product ideas and essential equipment.

Despite of the slowdown in the global economy, and a new venue, PackEx India 2015 has closed on a high note. The exhibition was completely busy with exhibitors making presentations about their offerings to the attendees at the fair. PackEx India 2015 was witnessed by the who's who of the industry. Key visitors from different industry sectors like Food & Beverage, Pharmaceutical, FMCG, Dairy, Chemical, Cosmetic, textile and retail were present during three days of the exhibition and constructively gathered insights into the technologies for packaging industries. They witnessed live demonstrations of machines by over 150 companies from worldwide.
